ROBLOX is a great game, and has lots of potential, but it's not being used as a serious game developer wants it to be. You can't break out of the virtual world without spending money on the Robux currency. It's like a video game and to continue playing you need Robux, but if there is no value in the game then they don't want you to play at all.

Users also have access to a vast selection of blocks in which they are able to build with. Some users may download free or paid objects from the Marketplace. Once bought, users are free to add new elements and edit them however they wish without paying anything else. Additionally, users have the option to buy premium blocks from the marketplace and be able to edit them more.

I wrote all of this because I really love Roblox and I just want everyone to have fun in game without worrying about the problems that are being posted above. I think some of the problems can be fixed like muting the people who spam and the moderators should be able to keep a better eye on the areas they are in charge of.

Here is a video that i have made to show you how to get free robux for roblox:As you can see from the image above, the most reliable way of getting free robux is by doing the missions which are listed under tasks. These missions are very fun to complete and they can be quite challenging as well. You have to complete a certain amount of these missions in a specific time frame. Once you complete all of the missions that are assigned to you, then you can get a lot of free robux just by waiting a few days.

Free games are not limited to offering premium features; however, most free games which offer their own XP system for player progression don't offer it via premium features. Therefore, non-Premium free games will usually include the default XP system as an option instead of offering another one.
